PUBLIC NOTICE

July 2018

1. Concession 6 from Sideroad 8 to Sideroad 7
2. Sideroad 8 from Grey Bruce Line to Concession 12
3. Sideroad 8 from Concession 12 to Grey Road 3

The road segments listed above will have their hardtop surface pulverized in approximately one (1) month. The Township of Chatsworth is in the process of issuing a RFP (Request For Proposal) for a Roads Condition and Needs Study and it's staffs intention to have the process completed in 2018. The roads segments will remain as gravel until Council has had a chance to review the study and determine the future of the township road network. These roads have been identified as a public safety concern and are beyond the point of proper repair.
