Township of Chatsworth  
316817 Hwy 10, RR#1  
Chatsworth, On N0H 1G0

Dear Chatsworth Council

On April 22, 2017, the Desboro Lions Club rented a garbage bin in an attempt to clean up the town of Desboro, to beautify for Canada's 150th. We notified each resident of our intent, with no expense to them, that we would take away their outdoor garbage around the properties. Ten members of the club went door to door and used township regulations for pick up and recycling. It was very successful but are requesting an exemption of the tipping fees of \$366.60 (which have been paid).

We are attempting to create a more caring community which will be more visually appealing for the town and the township.

Thank you for your consideration in this matter.

Sincerely

Ruth Bell
