ZONING BY-LAW NO. 2015-61
OF THE CORPORATION OF THE TOWNSHIP OF CHATSWORTH

BEING A BY-LAW FOR prohibiting the use of land for or except for such purposes as set out in this By-law; prohibiting the erection or use of buildings or structures for or except for such purposes as may be set out in this By-law; prohibiting the erection of any class or classes of buildings or structures on land that is subject to flooding or on land where development is unsuitable; regulating the height, bulk, location, size, floor area, spacing, and use of buildings or structures, the minimum frontage and depth of a parcel of land and the proportion of its area that any building or structure may occupy; requiring the owners or occupants of buildings, structures or uses to provide and maintain loading or parking facilities; and for prohibiting the making or establishing of pits and quarries within defined areas of the Township of Chatsworth.

WHEREAS authority is granted under Section 34, 36 and 39 of The Planning Act, R.S.O. 1990 Chapter P.13 as amended to pass this By-law;

WHEREAS the Municipal Council of the Corporation of the Township of Chatsworth considers it advisable to restrict, prohibit and regulate the use of land situated within the defined areas, as hereinafter designated, for the purpose of preventing any further development creating an adverse effect on the Corporation; and to prevent the use of lands that would jeopardize future orderly development and expansion; and to protect the natural environment.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF CHATSWORTH ENACTS AS FOLLOWS:

SECTION 1: GENERAL

1.1 Title

This By-law shall be cited as "The Zoning By-law of the Corporation of the Township of Chatsworth".

1.2 Components

This By-law consists of all textual components and schedules contained herein.

1.3 Application

The provisions of this By-law shall apply to all lands within the boundaries of the Corporation of the Township of Chatsworth except those lands within the Niagara Escarpment Development Control regulations, as shown specifically on the schedules.

1.4 Scope

No lands shall be used and no buildings or structures erected, altered, enlarged, or used within the Township of Chatsworth except in conformity with the provisions of this By-law. Uses not listed as permitted or otherwise provided for in this By-law shall be prohibited.

1.5 Repeal of Existing By-laws

From the date of the coming into force of this By-law, all previous By-laws passed under Sections 34, 36 and 39 of the Planning Act, R.S.O. 1990 Chapter P.13 as amended or predecessor thereof shall be deemed to have been repealed.

1.6 Validity

Every provision of this By-law is declared to be severable from the remainder of the By-law and, if any provision of this By-law shall be declared invalid by a court of competent jurisdiction, such declaration shall not affect the validity of the remainder thereof.

1.7 Effective Date

This By-law shall come into force and take effect on the day it is passed by Council subject to any approval necessary pursuant to the Planning Act, R.S.O., 1990, Chapter P.13 as amended.

SECTION 2: ADMINISTRATION AND INTERPRETATION

2.1 Responsibility

The responsibility of administering this By-law shall be vested in the By-law Enforcement Officer for the Township of Chatsworth or such other administrative official of the Township of Chatsworth as the Council shall designate from time to time.

2.2 Inspection of Property and Premises

The By-law Enforcement Officer or any designated employee of the Township of Chatsworth acting under his/her direction or the direction of Council may, at any reasonable hour and upon producing proper identification, enter and inspect any property but shall not enter any building or structure used as a dwelling unit without:

- i) The consent of the occupier, or
- ii) The authority of a Search Warrant issued pursuant to The Provincial Offences Act, R.S.O. 1990, as amended.

2.3 Licences and Permits

- i) In addition to fulfilling the requirements of this By law, no person shall commence to erect, alter or repair any building or structure without first obtaining a building permit from the Municipality, where necessary.
- ii) No municipal permit or licence shall be issued where said permit is required for a proposed use of land or the proposed erection, alteration, enlargement, or use of any building or structure that is in violation of any provision of this By-law.
- iii) In all zones, any building or structure which is moved from one location to another, whether within the zone or from one zone to another, or from any location beyond the boundary of the Municipality, into any zone, shall be considered as being a new building or structure and shall comply with the provisions of this By-law.

2.4 Violations, Penalties, and Remedies

- i) Pursuant to the provisions of Section 67 of the Planning Act, R.S.O. 1990 Chapter P.13 as amended, any person who breaches any provision of this By-law is guilty of an offence and, on conviction, is liable:

- a) On a first conviction to a fine of not more than \$25,000.00; and
 - b) On a subsequent conviction, to a fine of not more than \$10,000.00 for each day, or part thereof, upon which the contravention has continued after the day on which he was convicted.
- ii) Where a Corporation breaches any provision of this By-law and is found guilty of an offence on conviction, is liable:
- a) On a first conviction, a fine of not more than \$50,000.00; and
 - b) On a subsequent conviction, a fine of not more than \$25,000.00 for each day or part thereof upon which the contravention has continued after the day on which the Corporation was first convicted.

Where a conviction is entered, in addition to any other remedy or any penalty provided by law, the court in which the conviction has been entered, and any court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the person and/or Corporation convicted.

2.5 **Application for Permits**

- a) Every application for a permit to use lands, or to erect, alter, enlarge, or use any buildings or structures shall be accompanied by plans drawn to scale, showing:
 - i) The actual shape and dimensions of the lot to be used or upon which it is proposed to erect, alter, enlarge, or use buildings or structures;
 - ii) The proposed location, height, and dimensions of the buildings or structures in respect of which the permit is applied for;
 - iii) The location of every building or structure already erected on or partly on such lots;
 - iv) The location of proposed parking spaces, loading spaces, driveways, and landscaping areas;
 - v) The location of any landscaping, curbing, drainage, retaining walls and other physical additions to the site; and
 - vi) Other information as the By-law Enforcement Officer considers necessary to determine whether every such building, structure, or work conforms with the requirements of this By-law.

- b) The application shall be accompanied by a statement by the owner or his/her duly authorized agent specifying the use to which the lands are intended or the use to which the buildings or structures to be erected, altered or enlarged are intended to determine if such use conforms with the requirements of this By-law.
- c) The lot and the location of every building or structure to be erected thereon is to be staked out on the grounds before construction is commenced.
- d) The lack of a survey, or a mistake or an error or omission by any person required to comply with the provisions of this By-law does not relieve that person from liability for failure to comply with the provisions of this By-law.
- e) The By-law Enforcement Officer may require that any plans accompanying an application be prepared by an Ontario Land Surveyor, Professional Engineer, or Architect where, in the Officer's opinion, such plans are necessary to determine the exact extent to which a variance or amendment is required.

2.6 **Relationship with Other By-laws**

Nothing in this By-law shall operate to relieve any person from the requirements of the Building Code or any By-law or requirements of the Municipality in force from time to time, or the obligation to obtain any licence, permit, authority, or approval required under any By-law of the Municipality or other government authority. Any use established in violation of a predecessor of this By-law will be deemed to have been established unlawfully.

2.7 **General Interpretation and Application**

- a) In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirements adopted for the promotion of the public health, safety, convenience, or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the most restrictive, or the By-law imposing the higher standards shall govern and apply. Nothing in this By-law shall be construed to exempt any person from complying with the requirements of any By-law of the Municipality or the Corporation of the County of Grey or from any law of the Province of Ontario or of Canada, or any regulations under the provisions of the Conservation Authorities Act.
- b) In this By-law the word "shall" is mandatory and directory; words used in the present tense include the future; words in the singular number include the plural and words in the plural include the singular number.

Words imparting the masculine gender shall include the feminine and the converse.

2.8 **Temporary Use Provisions**

Certain lands identified by Section 27 - Exceptions are subject to temporary use provisions of Section 39 of the Planning Act R.S.O. 1990 Chapter P.13 as amended.

SECTION 3: DEFINITIONS

For the purposes of this By-law, the definitions and interpretations given in this Section shall govern.

The definitions contained in this Section include some definitions of uses which are not uses permitted in any zone. The uses which have been defined but not permitted are uses which may be contemplated in the future but is not implied that they will be permitted.

"Abattoir" shall mean a building or structure specifically designed to accommodate the penning and slaughtering of live animals and the preliminary processing of animal carcasses as per The Meat Inspection Act, R.S.O. 1990, and may include the packing, treating, storing, and sale of the product on the premises.

"Accessory Building or Structure" shall mean:

"Day Care Centre" shall mean a premise that receives more than five children who are not of common parentage, primarily for the purpose of providing temporary care, or guidance, or both temporary care and guidance for a continuous period not exceeding twenty four hours where the children are, a) under eighteen years of age in the case of a day nursery for children with a developmental handicap and b) under ten years of age in all other cases, but does not include: c) part of a public school, separate school or private school.

"Development" shall mean the construction, erection, or placing of one or more buildings or structures on land or the making of an addition or alteration to a building or structure that has the effect of increasing the size or usability thereof.

"Drive-In Restaurant" shall mean a restaurant specializing in fast food preparation, the provision of take-out service or the dispensing of means by means other than individual table attendants and the provision of on-site parking facilities.

"Dry Cleaning Establishment" means a building where any one or more of dry cleaning, dry dyeing, cleaning or pressing of articles or goods of fabric is or are carried on.

"Dry Cleaning Distribution Outlet" means a building used for the purpose of receiving articles of goods of fabric to be subjected to the process of dry cleaning, dry dyeing or cleaning elsewhere and for the distribution of any such articles or goods which have been subjected to any such process.

"Dwelling" shall mean a building occupied or capable of being occupied exclusively as a home, residence or sleeping place by one or more persons but shall not include any mobile home, construction trailer, travel trailer, hotels, motels, a home for the aged, nursing home, hospital, or living quarters for a caretaker, watchman or other person or persons using living quarters which are accessory to a non-residential building.

- a) **"Accessory Detached Dwelling"** shall mean a detached dwelling subordinate and incidental to the principal use, building or structure located on the same lot therewith.
- b) **"Apartment Dwelling"** means a building consisting of three (3) or more dwelling units, which have a common entrance from street level and the occupants of which obtain access to their dwelling units through common halls.
- c) **"Converted Dwelling"** means an existing dwelling constructed as a single detached dwelling or semi-detached dwelling unit on an existing lot in which the number of dwelling units has been increased without significant alteration to the exterior of the building except for the required fire escapes, extra windows and entrances to a maximum of 10 percent (10%) of the dwelling or 30 square metres, whichever is the lesser, and provided that the building, when converted, complies with the provisions of the Building By-law and the parking and other provisions of this By-law.
- d) **"Single Detached Dwelling"** means a separate, free-standing building designed for and containing only one dwelling unit, but does not include a mobile home or modular dwelling as defined in this By-law.
- e) **"Duplex Dwelling"** means a building that is divided horizontally into two separate dwelling units, each of which has an independent entrance either directly from the outside or through a common vestibule.
- f) **"Fourplex Dwelling"** means a building which consists of two (2) attached duplex dwellings, or a building containing only two storeys exclusive of the basement or cellar, divided vertically into four (4) dwelling units with either one or two complete walls in common with adjoining units and an independent entrance, either directly or through a common vestibule.
- g) **"Modular Dwelling"** means a prefabricated single unit dwelling constructed or assembled such that the shortest side of such dwelling is not less than 6.1 metres in width.

- h) **"Semi-Detached Dwelling"** means a pair of attached single dwelling units constructed for permanent use with a common party wall dividing the pair of dwelling units vertically for the full height of the building, each of which has an independent entrance.
- i) **"Semi-Detached Dwelling Unit"** means one of a pair of dwelling units in a semidetached dwelling.
- j) **"Street Townhouse Dwelling"** means a townhouse with each unit on a separate lot and having legal frontage on a public street.
- k) **"Townhouse Dwelling"** means a building that is divided vertically into three (3) or more dwelling units by common walls extending from the base of the foundation to the roof line, each of which has independent entrances to a front and rear yard immediately abutting the front and rear walls of each dwelling unit, or a front and side yard in the case of a dwelling unit located at the end of the townhouse building, and so located on a lot that the individual units are not required to have frontage on a public street.
- l) **"Triplex Dwelling"** means a building which is divided horizontally or vertically into three (3) separate dwelling units each of which has an independent entrance, either directly or through a common vestibule.

"Electrical Shop" shall mean a building or structure or a portion of a building or structure which is utilized by a professional electrician in the storage of material and supplies for the business plus an office.

"Environmental Impact Study (EIS)" shall mean a study to identify and assess the potential impacts of specific development proposals on known or potentially sensitive areas. Site EIS's can take the form of full or scoped studies. The Township and the Conservation Authority will assist proponents in identifying the key technical issues to be addressed and the appropriate level of effort required in the preparation of a site EIS. The exact EIS requirements will vary depending on the specific development scenario being proposed. Where small developments barely encroach on sensitive lands, a scope EIS would likely be the appropriate vehicle for addressing impacts. Larger, more complex proposals are more likely to require a full site EIS. Components of the EIS shall include:

- a) A description of the natural environment, including both physical form and ecological function;
- b) Summary of the development proposal;
- c) Prediction of direct, indirect and cumulative effects of development compared with overall environmental goals;
- d) Identification and evaluation of options to avoid impacts;

- e) Identification and evaluation of options for mitigation or rehabilitation, including setbacks;
- f) Recommendations on the connectivity or linkage of the natural heritage feature or features being assessed to other natural heritage features or systems;
- g) Recommendations on the restoration or improvement of natural heritage features;
- h) Demonstration that there will be no negative impacts on the natural features or their ecological functions;
- i) An implementation plan, and;
- j) Evaluation of the need for a monitoring program.

"Yard, Exterior Side" shall mean a side yard immediately adjoining an improved public street.

"Yard, Interior Side" shall mean a side yard other than an exterior side yard.

"Yard, Automobile Wrecking" shall mean automotive related salvage operations as included within a "Salvage Yard" as defined in this By-law, in which three (3) or more unlicensed derelict vehicles are stored outdoors.

"Zone" shall mean an area delineated on a Zoning Map Schedule and established by this By-law for a specific use.

SECTION 4: ZONES

4.1 Incorporation of Zoning Maps

The location and boundaries of the Zones established by this By-law are shown on Schedules 1 to 40. These schedules, and all notations thereon, are hereby declared to form part of this By-law. That notwithstanding, the zone symbols applied on Schedules 35 (Massie) and 36 (Walters Falls) have no legal status. These lands are currently situated within the Development Control Area of the Niagara Escarpment Commission (NEC). Should the Province **remove these lands from the NEC's Development Control Area**, the underlying zoning symbol would apply. In the meantime, the zone symbols have been applied to these schedules only for the purpose of assisting the NEC with development proposals.

4.2 Interpretation of Schedules

Where any Zone Boundary is uncertain, then the boundary shall be determined from the Master Schedules contained in the office of the By-law Enforcement Officer or the Township of Chatsworth Municipal Offices.

4.3 Zone Boundaries

When determining the boundary of any Zone as shown on any Schedule forming part of this By-law, the following provisions shall apply:

- i) The Zones of this By-law have been established according to the **lot lines of the Township's property boundaries.**
- ii) A boundary indicated as following a watercourse, creek, stream, or the right-of-way of a railway, or electric, gas or oil transmission line shall be the centre line of such watercourse, creek, stream, or right-of-way.
- iii) A boundary indicated as approximately following lot lines shown on a registered plan of subdivision or municipal boundary lines shall follow such lot lines.
- iv) Where a boundary is indicated as approximately parallel to a street line or other feature indicated in Clauses i) or ii) of this Subsection, and the distance from such street line or other feature is not indicated, and Clause iii) is not applicable, such boundary shall be construed as being parallel to such street line or other feature, and the distance there from shall be determined according to the scale shown on the Schedule map.
- v) The Township boundary shall serve as a Zone Boundary for all Zones extending to the limits of the Township of Chatsworth.

4.4 Road Closures

In the event a dedicated street or lane shown on any Schedule forming part of this By-law is closed the property formerly in such street or lane shall be included within the Zone of the adjoining property on either side of such closed street or lane. If a closed street or lane is the boundary between two or more different Zones, the new Zone boundaries shall be the former centre line of the closed street or lane.

4.5 Establishment of Zones

For the purpose of this By-law, the Township of Chatsworth is divided into the following Zones:

ZONES	SYMBOL
Rural Zone	A1
Restricted Rural Zone	A2
Rural Residential Zone	R1
Urban Residential Zone	R2
Lake Residential Zone	R3
Multiple Residential Zone	R4
General Commercial Zone	C1
Rural Commercial Zone	C2
Local Commercial Zone	C3
General Industrial Zone	M1
Rural Industrial Zone	M2
Extractive Industrial Zone	M3
Local Industrial Zone	M4
Institutional Zone	I
Mobile Home Park Zone	MH
Tent & Trailer Camp Zone	T
Open Space 1 Zone	OS1
Open Space 2 Zone	OS2
Environmental Protection Zone	EP
Wetlands Protection	W
No Development	ND

4.6 Use of Symbols

The symbols listed in Subsection 4.5 may precede the word "Zone" (i.e. A1 Zone) in place of the "Zone Name" and shall have the same meaning. The symbols, when used within the Zone Maps, shall refer to the Zone in which the lands are situated and the provisions of such Zone shall apply.

4.7 Application of Zones

No person within any Zones defined in this By-law and delineated on the Zoning Maps appended hereto shall erect, alter, enlarge, or use any building or structure, or use any land in whole or in part, except in conformity with the provisions of the applicable Zone.

4.8 **Holding (H) Symbols**

The symbol "h" when applied as a suffix to the zone designation of a specific property (e.g. A1-h) denotes an area in which: new buildings and structures are prohibited; the expansion of the existing buildings and structures are prohibited; and, only the lawfully existing land use may be permitted. The removal of the holding (h) symbol by Council By-law will permit the use of land and erection of buildings and structures in accordance with the Zone designation and its provisions.

The symbol "h1" when applied as a suffix to the zone designation of a specific property (e.g. A1-h1) denotes an area in which no development or site alteration of any type is permitted due to concerns regarding the natural environment. The removal of the holding ("h1") symbol by Council shall not occur until a study(s) has been prepared, to the satisfaction of the Township and the appropriate Conservation Authority, demonstrating that the proposed development or site alteration will not adversely affect the area or feature. It may be necessary for any mitigative measures recommended in the study to be carried forward into an agreement between the land owner and the Township.

4.9 **Discrepancies**

In the event that there is a discrepancy between a regulation in the "General Provisions" and the specific "Zone" sections of this By-law, the most restrictive provisions shall apply.

SECTION 5: GENERAL PROVISIONS

5.1 Accessory Uses

a) Permitted Uses

No detached accessory building or accessory structure shall be used for human habitation or an occupation for gain, unless specifically permitted by this By-law.

b) When Permitted

Notwithstanding any of the provisions of this By-law, no accessory building, structure or use shall be erected, or used until the principal building, structure or use is erected in accordance with the Ontario Building Code and in compliance with the provisions of this By-law unless the owner has entered into a Development Agreement with the Township outlining the terms in which the accessory, building, structure or use may exist on a temporary basis prior to the principal building, structure or use being erected.

c) Location

Except as otherwise provided herein, any accessory building or structure shall be erected only between the principal building and the rear lot line and/or between the principal building and the side lot line provided a minimum setback of 1.5 metres from the rear and side lot line is provided. A 0 metre side yard setback shall be required where a common or mutual detached garage is erected simultaneously on both sides of the lot line, as one building. This notwithstanding, where the rear lot line or side lot line abuts a public street, the setback of the accessory building or structure from the property boundary abutting the public street shall be the same setback requirement applicable to the principal building.

Notwithstanding the above, an accessory building in the form of a detached garage shall also be permitted between the principal building and the front lot line and/or between the principal building and the exterior side lot line provided the setback of the accessory building or structure from the front lot line or exterior side lot line maintains the same setback requirement applicable to the principal building.

d) Lot Coverage and Height

Except as otherwise provided herein, the total lot coverage of all accessory buildings and structures shall not exceed 10% of the lot area, and in no case shall the total lot coverage of all buildings and structures, including the principal building(s), exceed the maximum lot

coverage stipulated in the applicable zone.

Except as otherwise provided herein, the height of any accessory building or structure shall not exceed 7 metres.

e) **Other Structures**

Notwithstanding the yard and setback provisions of this By-law to the contrary, awnings, clothes poles, flag poles, garden trellises, retaining walls, permitted signs, or similar uses shall be permitted in any required yard or in the area between the street line and the required setback.

f) **Boat House, Boat Lift, or Dock**

A boat house, boat lift, or dock for pleasure boats may be erected and used in the rear yard of a lot backing on a navigable waterway, provided such accessory buildings or structures are located no closer than 1.2 metres to the side lot line, and the documented approval of the government body having jurisdiction has been obtained.

g) **Ornamental Structures**

Notwithstanding the yard and setback provisions of this By-law to the contrary, sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures shall be permitted to project into any required yard or the area between the street line and the required setback, a maximum distance of 0.5 metres.

h) **Unenclosed Porches, Balconies, Steps, or Patios**

Notwithstanding the yard and setback provisions of this By-law to the contrary, unenclosed porches, balconies, steps, and patios, shall be permitted to project into any required yard a maximum of 1 metre provided that, in the case of porches, steps, or patios, such uses are not more than 2 metres above grade.

5.2 **Accessory Apartment Dwelling Unit Within Primary Dwelling**

Where specifically permitted by this By-law, an accessory apartment dwelling unit shall be allowed within a detached dwelling in the following instance:

- a) The accessory apartment dwelling shall not be permitted if any other dwelling, other than the principal detached dwelling, exists on the subject property;
- b) The accessory apartment dwelling unit shall be situated entirely within the same building as the principal dwelling;

- c) The maximum number of bedrooms within the accessory apartment dwelling unit shall be two;
- d) The minimum gross floor area of the accessory apartment dwelling unit shall be 55.7 square metres, and the maximum gross floor area of the accessory apartment dwelling unit shall be 93 square metres or equivalent to 50% of the gross floor area of the principal detached dwelling, whichever is greater; and,
- e) A minimum of one extra parking space shall be provided in accordance with Section 5.11 in addition to the parking requirements associated with the principal detached dwelling.
- f) Accessory apartment dwelling units shall only be permitted in areas where it can be demonstrated that safe access can be maintained to and from the accessory apartment dwelling unit under the Regulatory flood event. The appropriate Conservation Authority may be consulted in this regard.

5.3 **Accessory Dwelling Unit Within Detached Accessory Structure**

Where specifically permitted by this By-law, an accessory dwelling unit shall be allowed in a detached accessory structure in the following instance:

- a) The lot shall have an area of at least 0.8 hectares;
- b) The accessory dwelling unit shall not be permitted if any other dwelling, other than the principal detached dwelling, exists on the subject property;
- c) The accessory dwelling unit shall be designed to be permanent, and is not a mobile home or any other type of dwelling that is designed to be portable;
- d) The accessory dwelling unit is located within 50 metres of the principle detached dwelling and utilizes the same driveway entrance as the principle detached dwelling.
- e) The minimum gross floor area of the accessory dwelling unit shall be 55.7 square metres; and,
- f) The accessory dwelling unit is located in accordance with the yard setbacks applicable to a main dwelling in the applicable zone;
- g) The accessory dwelling unit does not result in the maximum lot coverage for accessory buildings being exceeded;
- h) The accessory dwelling unit complies with the Minimum Distance

Separation requirements.

- i) A minimum of one extra parking space shall be provided in accordance with Section 5.11 in addition to the parking requirements associated with the principal detached dwelling.

5.4 **Dwelling Units Below Grade**

a) **Cellar**

No dwelling unit shall, in its entirety, be located in a cellar. If any portion of a dwelling unit is located in a cellar, such portion of the dwelling unit shall be used as a furnace room, or for a similar use only.

b) **Basement**

A dwelling unit, in its entirety, may be located in a basement, provided the finished floor level of such basement is not below the level of the sanitary or storm drainage system servicing the building or structure in which such basement is located and provided further, that the floor level of such basement is not more than 1.5 metres below the adjacent finished grade.

5.5 **Existing Lot of Record Having Lesser Area and/or Frontage**

Notwithstanding anything contained in this By-law, a parcel which lacks the minimum frontage and/or minimum area required in the applicable zone may be used in accordance with the permitted uses section of the applicable zone, except where otherwise stated in Section 6.11, provided that:

- a) The description of such a parcel is the same as in a deed registered on or prior to the date of passing of this By-law;
- b) Such parcel could have been conveyed legally on the date of the passing of this By-law by way of deed, transfer, mortgage, charge, or agreement of sale and purchase without consent, under Section 50 of the Planning Act, R.S.O. 1990, Chapter P.13 as amended from time to time; and;
- c) Such parcel has a frontage of 6 metres minimum on an improved public street or complies with section 5.8 b);
- d) All other provisions of this By-law are complied with; and,
- e) All relevant regulations made under the Public Health Act and all relevant requirements of the Ontario Building Code are complied with.

5.6 **Garage Sales**

A garage sale shall be permitted on a property containing a detached dwelling, and on an occasional basis to a maximum of five days per year. A garage sale shall also be permitted on Township-owned lands with the permission of the Township.

5.7 **Height Restriction**

Notwithstanding the height provisions contained herein, nothing in this By-law shall apply to prevent the erection, alteration, or use of the following accessory buildings or structures, provided the main use is a permitted use within the Zone in which it is located:

- agricultural buildings and structures
- belfry
- grain elevator or feed mill
- chimney
- clock tower
- windmill, solar panel or similar alternative power generator
- air conditioner duct
- communications tower or antenna tower
- flag pole
- bridge
- water tower
- church spine

5.8 **Lot Development Requirements**

a) **Requirement of Lot**

No building or structure shall be erected, altered, extended, or enlarged, except upon a lot, nor shall any land be used for a permitted use unless it comprises a lot; but this provision shall not prevent the use of any parcel or tract of land for agricultural purposes, excluding the erection or enlargement of any building or structure other than a fence.

b) **Frontage on an Improved Public Street**

No person shall erect any building or structure, or use any lot in a Zone, unless the lot upon which such building or structure is to be erected, fronts upon and has direct access to an improved public street. The above provision shall not apply to restrict the erection of any building on a lot;

- i) In a registered plan of subdivision where a subdivision agreement has been entered into but the street will not be assumed until the end of the maintenance period; or
- ii) Which has legal right of way to an improved public street; or
- iii) For which the lot owner has entered into a road maintenance

agreement that is to the satisfaction of the municipality; or

- iv) Which is part of a common elements condominium corporation that has access to an improved public street.

c) **More than One Use or One Zone on a Lot**

When a lot contains more than one use, each use shall conform to the provisions of this By-law for such use in the Zone where it is located. When a lot is divided into more than one zone, each portion of the lot shall be used in accordance with the provisions of this By-law for the applicable Zones.

d) **Restrictions on Changes**

- i) The purpose for which any land or building is used shall not be changed, no new building or addition to any existing building shall be erected, and no land shall be severed from a lot, if such change, erection, or severance creates a situation that contravenes any of the provisions of this By-law applicable to each individual remaining building, accessory building, or lot.

- ii) Notwithstanding the provisions of Clause i) of this Subsection, no person shall be deemed to have contravened any provisions of this By-law, if only part or parts of any lot or parcel has or have been conveyed to or acquired by the Municipality, the County of Grey, Her Majesty in the Right of Ontario or Her Majesty in the Right of Canada.

e) **Treatment of the Area of a Lot Zoned Environmental Protection (EP)**

Where any lot is zoned in part in an Environmental Protection Zone (EP), no person shall erect any buildings or structures within the area zoned Environmental Protection, except as otherwise permitted in the Environmental Protection Zone. However, land zoned Environmental Protection (EP) may be used in the calculation of the lot area, lot frontage, required yard, and lot coverage as is required for the development occurring on that portion of a lot not zoned Environmental Protection.

5.9 **Movement of Buildings**

No buildings or structures shall be moved without a permit from the Chief Building Official.

5.10 **Non-Conforming and Non-Complying Buildings, Structures, and Uses**

a) The provisions of this By-law shall not apply to prevent the use of any lot, building, or structure for any purpose prohibited by the By-law if such lot, building, or structure was lawfully used for such purposes on the date of the passing of this By-law, so long as it continues to be used for that purpose.

b) **Permitted Exterior Extension**

i) No building or structure, which at the date of passing of this By-law was used for a purpose not permitted within the Zone in which it is located, shall be enlarged or extended unless such building is thereafter to be used for a purpose permitted within such Zone and complies with all requirements of this By-law or the granting of a minor variance to this By-law.

ii) Nothing in this By-law shall prevent the enlargement or extension of a building or structure which, at the date of the passing of this By-law was used for a purpose specifically permitted within the Zone in which such building or structure is located, but which does not comply with one or more of the Zone provisions provided such enlargement or extension does not further contravene any of the provisions of this By-law.

c) **Permitted Interior Alterations**

Nothing in this By-law shall prevent the reconstruction or alteration of the interior of any building or structure which, at the date of passing of this By-law was used for a purpose not permitted in the Zone in which it is located, in order to render such interior more convenient or commodious for the same purpose for which, at the passing of this By-law, such building or structure was used.

d) **Restoration to a Safe Condition**

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used at the date of passing of this By-law, whether or not the use of such building or structure at the date of passing of this By-law is permitted within the Zone in which such building or structure is located, provided that the strengthening or restoration does not increase the building height, size, or volume, or change the use of such building or structure or part thereof, except where an increase in height, size, or volume, or change of use would comply with the provisions of the Zone in which the building or structure is located.

e) **Reconstruction of Damaged Buildings or Structures**

Nothing in this By-law shall prevent the reconstruction of any building or structure that is damaged by causes beyond the control of the owner, subsequent to the date of the passing of this By-law, provided the reconstruction of such building or structure does not increase the height, size, or volume of the building or structure, change the use of the building or structure, or reduce or eliminate any parking spaces, loading spaces, or landscaped open space area which existed prior to said damage, except where such increase in height, size, or volume, change of use or decrease in parking space, loading spaces, or landscaped open space areas complies with the provisions of the Zone in which such building or structure is located.

f) **Building Permit Issued**

Nothing in this By-law shall apply to prevent the erection or use, for a purpose prohibited by this By-law of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the Chief Building Official, so long as the building or structure when erected is used and continues to be used for the purpose for which it was approved and provided the erection of such building or structure is commenced within one (1) year after the date of the passing of this By-law and such building or structure is complete with six (6) months after the erection thereof is commenced.

g) **Change in Use**

No change in the use of any land, building or structure shall be permitted, unless such change in use complies with the permitted uses within the zone in which such land, building, or structure is located or unless such change has been approved either through an amendment to this By-law or through authorization under Section 45(3) of the Planning Act, R.S.O. 1990 Chapter P.13 as amended.

5.11 **Parking Regulations**

a) **Parking Space Requirement**

For every building or structure to be erected or enlarged in any Zone, off-street parking shall be provided and maintained in accordance with the following provisions:

<u>Type of Use</u>	<u>Minimum Parking Space Requirements</u>

0°	2.75m	6.7m	3.0m

c) **Uses Not Specified**

In the case of a use not specifically mentioned in Clause a) of this Subsection, the requirements for off-street parking shall be based on the requirement for the most comparable use specified therein.

d) **Mixed Occupancies**

In the case of two or more uses in the same building or on the same lot, the total requirements for off-street parking shall be the sum of the requirements for the several uses computed separately. Parking facilities for one use shall not be considered as providing required parking for any other use.

e) **Location on Other Lots**

Where the owner of a building or structure proposed to provide the required parking spaces and areas in a location other than the same lot as the use that requires such spaces and areas, then such shall be located not more than 150 metres from the said lot and shall be located within the same Zone as the said lot.

f) **Use of Parking Areas**

Where a parking area or parking space is permitted required by the By-law in any Zone, no person shall use such parking area or parking space for parking any motor vehicle unless such motor vehicle bears a motor vehicle licence plate or sticker which is currently valid.

g) **Change in Use**

Whenever a use is changed or enlarged in floor area, number of employees, number of dwelling units, seating capacity, or otherwise as would require an additional number of parking spaces, then such additional parking shall be provided on the same basis as Subsection 5.11, Clause a).

h) **Restrictions in Residential Zones (R1, R2, R3, R4)**

No person shall use any parking area or parking space in a Residential Zone, except in accordance with the following:

- a) Not more than one vehicle per dwelling unit shall be a commercial motor vehicle as defined in The Highway Traffic Act.
- b) The licensed capacity of any such commercial motor vehicle shall not exceed 2400 kilograms.
- c) Notwithstanding the foregoing, the owner or occupant of any lot, building, or structure in any Residential R1, R2, R3, R4 Zone may use any private garage of which he is the owner or occupant, erected upon any such lot for the housing or storage of one commercial motor vehicle exceeding 2400 kilograms capacity operated by himself.

i) **Access**

- (i) Access to the required parking spaces and parking areas shall be provided by means of unobstructed driveways or passageways at least 3 metres, but not more than 9 metres in width;
- (ii) The aisles between parking spaces within a parking area shall have a minimum width of 6 metres;

- (iii) The maximum width of any combined ingress and egress driveway, measured along the street line, shall be 9 metres;
- (iv) The minimum distance between 2 separate driveways on one lot, measured along the street line shall be 7.5 metres;
- (v) The minimum angle of intersection between a driveway and a street line shall be 60 degrees
- (vi) Every lot shall be limited to the following number of driveways:
 - (a) Two driveways, with a combined width not exceeding 30% of the lot frontage, for the first 30 metres of the lot frontage or portion thereof, and;
 - (b) One additional driveway for each additional 30 metres of lot frontage.
- (vii) No driveway shall be established closer than 1 metre to a side lot line, provided this shall not apply to prevent the establishment of abutting driveways along a common lot line if their combined width does not exceed 9 metres.
- (viii) No driveway shall be established closer than 9 metres in a Residential Zone or closer than 15 metres in all other zones to an intersection of two streets.

j) **Barrier-Free Parking Spaces**

- (i) On any property where more than 20 parking spaces are required by this By-law, the required number of parking spaces shall include the provision of designated accessible parking spaces for the use of physically disabled persons in the amount of 1 barrier-free parking space for the first required 20 parking spaces plus 1 space for each additional 100 parking spaces.
- (ii) Notwithstanding (i) above, hospitals shall be required to provide 1 barrier-free parking space for the first 20 parking spaces required or 2 barrier-free parking spaces for the first 60 required parking spaces or 3 barrier-free parking spaces for the first required 100 parking spaces, whichever is applicable, in addition to one barrier-free parking space for every additional 100 spaces.
- (iii) Such barrier-free parking shall be provided near and accessible to the point of entrance to the building and clearly marked for the parking of vehicles used by barrier-free person or persons.
- (iv) Barrier-free parking spaces shall have a minimum width of 4.6

metres and a minimum length of 5.5 metres.

5.12 Loading Space Requirements

- a) The owner or occupant of any lot, building or structure in a Commercial or Industrial Zone, erected or used for any purpose involving the receiving, shipping, loading, or unloading of persons, animals, goods, wares, merchandise, or raw materials, shall provide and maintain at the premises, on the lot occupied by the building or structure and not forming part of a street or land, within the Zone in which such use is located, loading and unloading spaces 9 metres long, 4 metres wide, and having a vertical clearance of at least 5 metres and in accordance with the following:

Gross Floor Area of Building or Structures	Minimum Number of Spaces Required
0 to 500 square metres	1
500 to 2,500 square metres	2
2,500 to 8,500 square metres	3
8,500 square metres	3*

- * plus 1 additional space for each additional 9,000 square metres or fraction thereof in excess of 8,500 square metres provided, however, that in addition to the above number of loading spaces, adequate space shall be provided for the parking of vehicles awaiting access to loading spaces.

b) Additions to Buildings

If an addition is made to an existing building or structure which increases the floor area then loading space requirements for such a building or structure shall be provided in accordance with paragraph a) on the basis of the total floor area of the whole buildings or structure after expansion.

5.13 Minimum Distance Separation – MDS I

Notwithstanding any other provisions of this by-law to the contrary, no residential, institutional, commercial, industrial or recreational use, located on a separate lot and permitted within the current zoning of the property, shall be erected or altered unless in complies with the MDS I provisions contained

in Appendix A to this By-law.

5.14 **Minimum Distance Separation – MDS II**

Notwithstanding any other provisions of this by-law to the contrary, no livestock facility or manure facility shall be erected or expanded unless it completes with the MDS II provisions contained in Appendix A to this By-law.

5.15 **Nutrient Management Plan**

No livestock operation or manure storage facility shall be established or enlarged until a Nutrient Management Plan is completed where required by the Nutrient Management By-law or relevant legislation.

5.16 **Permitted Uses in All Zones**

Notwithstanding any other provisions of this By-law to the contrary, the following uses shall be permitted in any Zone established herein:

- a) The use of any land as a public street, and in the case of the Environmental Protection Zone for Massie and Walters Falls only a public street that meets this By-law's definition of "essential" to the satisfaction of the Niagara Escarpment Commission.
- b) A temporary construction or work camp/trailer, tool shed, scaffold, or other building or structure incidental to and necessary for the construction work on the premises, but only for so long as such use, building, or structure is necessary for such construction work which has not been finished or abandoned and provided such construction work does not occur within the Wetlands Protection Zone.
- c) Except as provided in Section 5.7 hereof, any building, structure, use, service, or utility of any department of the Corporation of the Township of Chatsworth, the Corporation of the County of Grey, or the Federal or Provincial Government, Ontario Hydro, or any telephone, telegraph, or gas company shall be permitted in any zone except in the case of the Environmental Protection zone for Massie and Walters Falls unless it meets this By-law's definition of "essential" to the satisfaction of the Niagara Escarpment Commission and except within the Wetlands Protection zone unless approved through an Environmental Assessment process or other similar process. Such use, building or structure shall comply with the regulations with regard to the height, yard, and lot coverage prescribed for the Zone in which it is located; and any buildings erected or used shall be designed and used in a manner compatible with the area in which it is located. Notwithstanding the generality of the foregoing, the requirement of this Section to comply with the regulations with regard to height, yard, and lot coverage, shall not apply to any undertaking of Ontario Hydro

which satisfies the provisions of the Environmental Assessment Act.

- d) A wayside pit, portable concrete plant and a portable asphalt plant used only for road authority projects shall be permitted in any Zone, except within the Wetlands Protection Zone or Environmental Protection Zone
- e) Garage sales are permitted in accordance with the definition provided in Section 3 and the provisions of Section 5.6.

5.17 **Planting Strip**

a) **Location**

Where a commercial, institutional, or industrial use is established opposite a Residential Zone or abuts a side or rear lot line in a Residential Zone, then a planting strip and/or fence adjoining such abutting lot line, or portion thereof, shall be provided on the commercial, industrial, or institutional lot, in the case of a planting strip. Conversely, when a residential use is established adjacent to a commercial, industrial, or institutional use, as described above, a similar planting strip shall be provided on the residential lot.

5.18 **Prohibited Uses in All Zones**

The following uses are prohibited in any zone:

- a) The use of any trailer for human habitation, except where the trailer is located on lands zoned to allow such a use.
